The City has made available for download drawings from the Dining Out NYC Setup Menu Prototype project that were prepared by a registered design professional. These drawings have been made available for informational purposes only. The drawings are provided as-is, and the City of New York disclaims to the greatest extent permitted by law any and all warranties in connection with them.

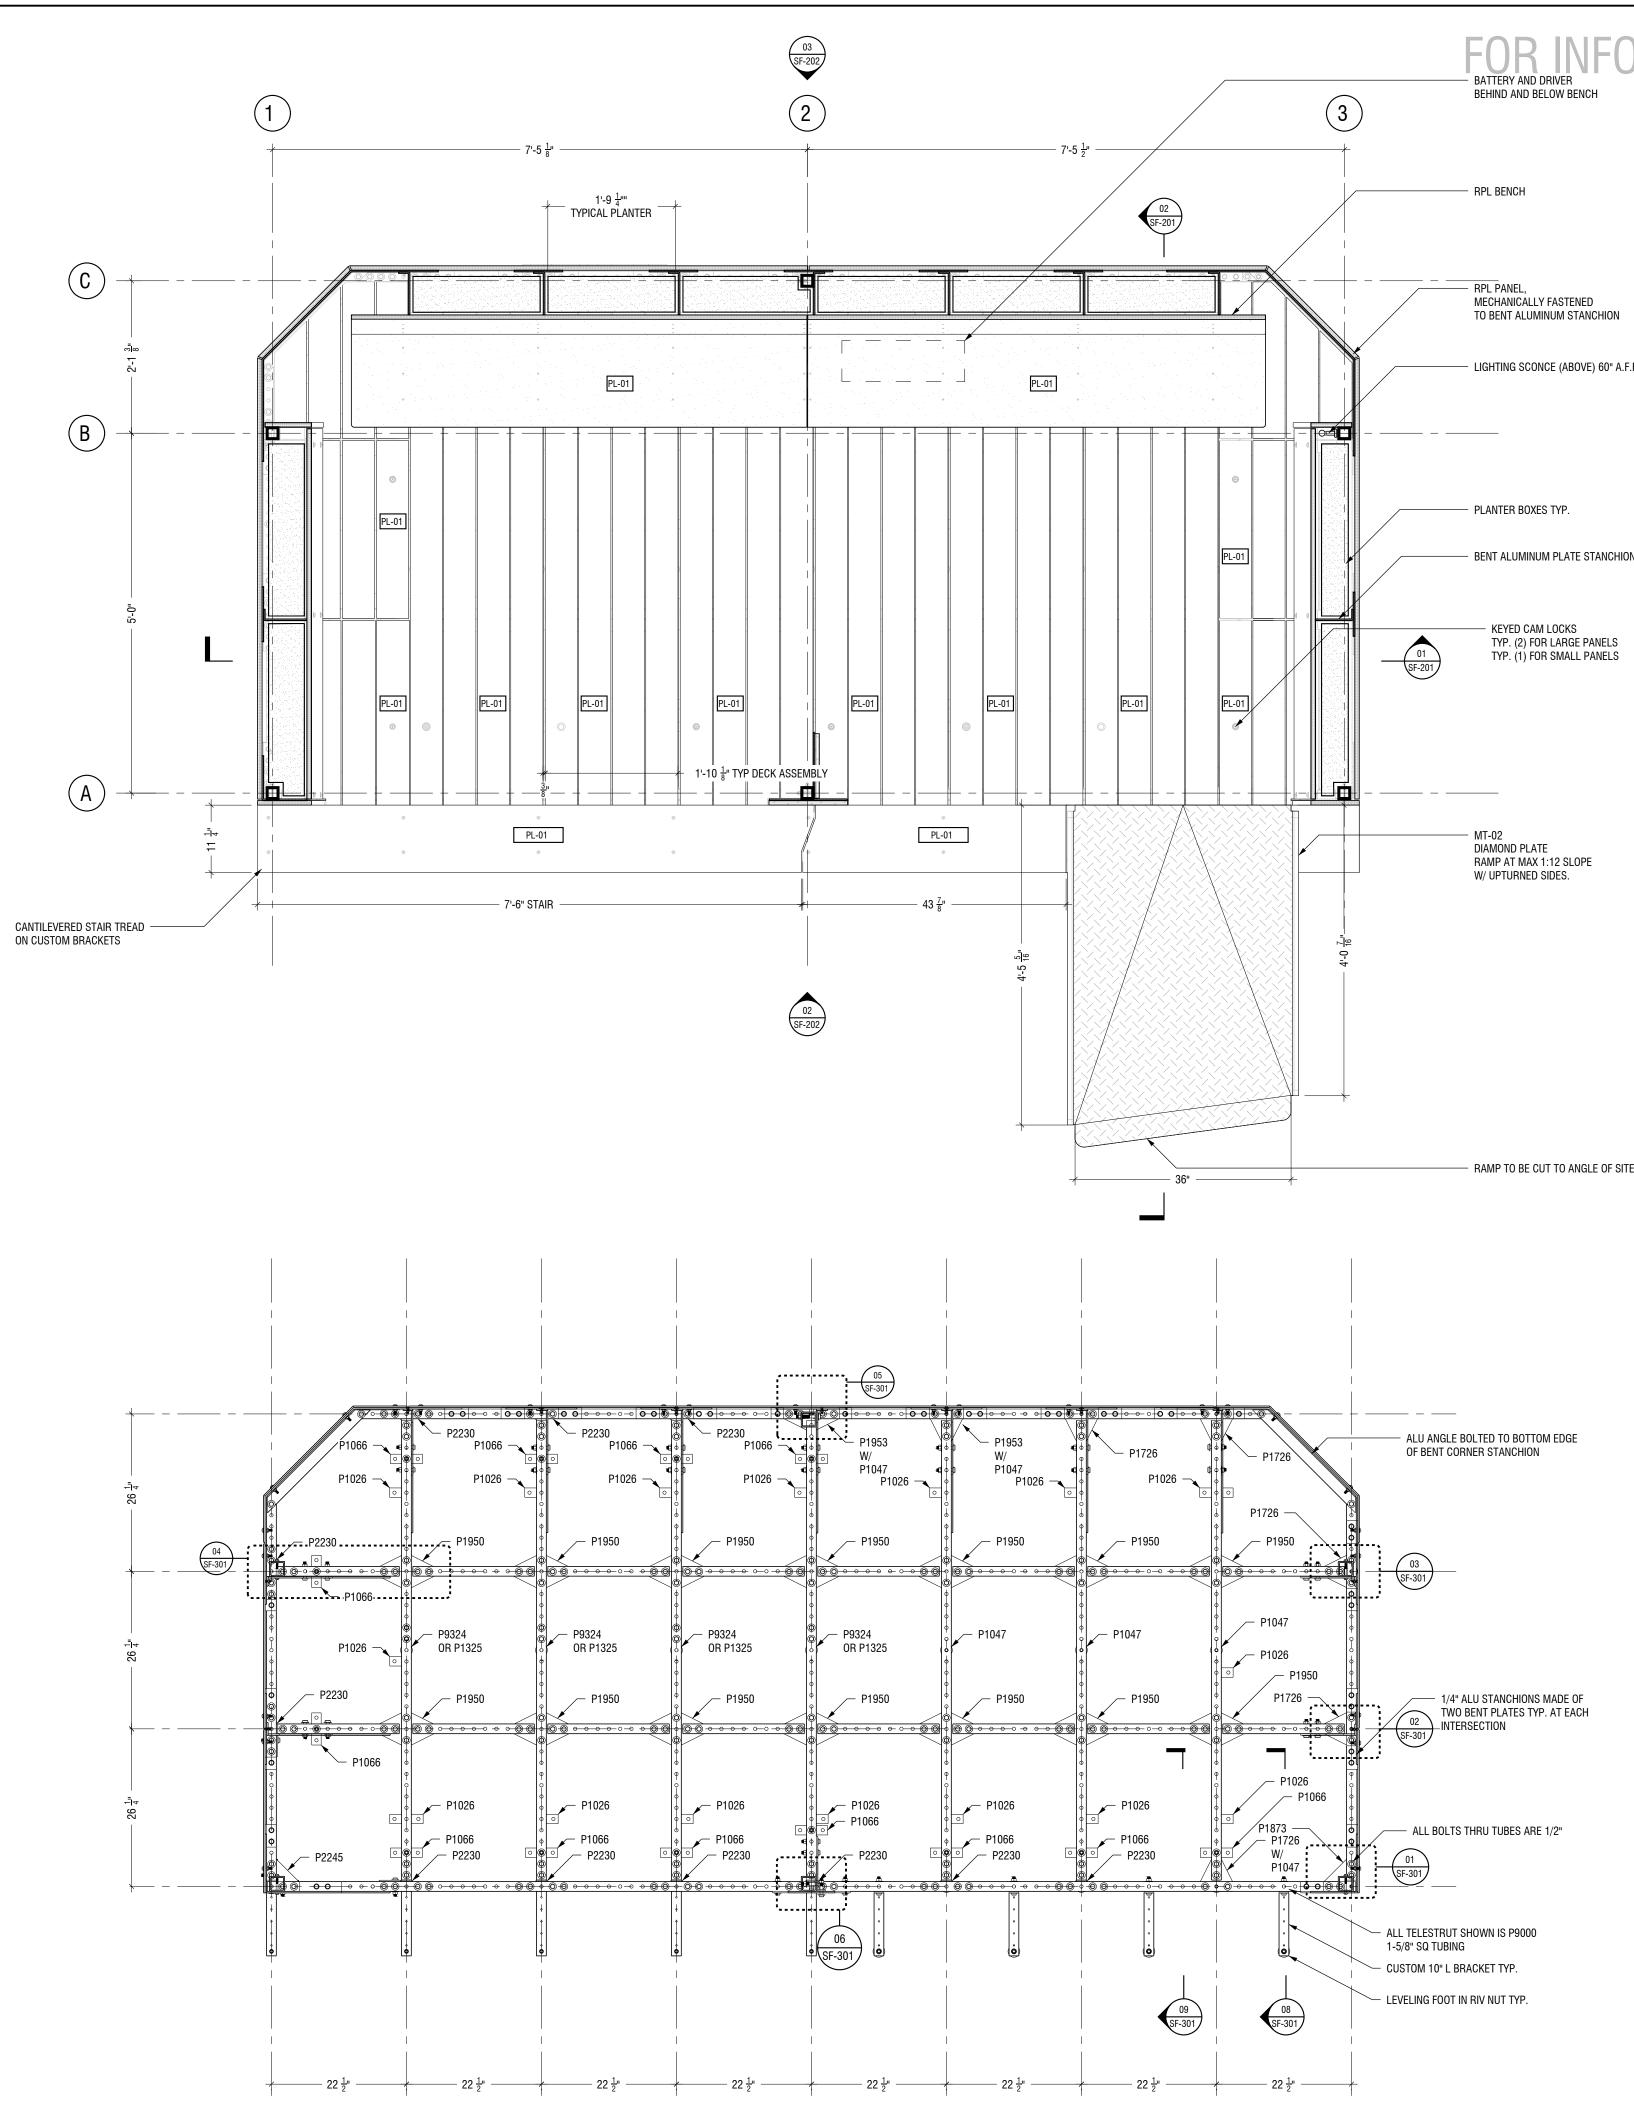

Each drawing was designed and developed for a specific prototype location and may not be appropriate for other locations. Every location has unique features and site conditions, so make sure that every outdoor dining setup component you choose is appropriate for your sidewalk or roadway cafe.

These drawings and all information contained within, both directly and inferred, are for design guidance only and not to be used for construction, fabrication, or installation. SITU Fabrication ("SITU ") and WXY Architecture and Urban Design ("WXY ") accept no liability for any type of use of these drawings. SITU and WXY have no responsibility for any deficiencies, inaccuracies, errors and/or omissions contained in these drawings. Compliance with ADA and NYC Building Code needs to be reviewed and confirmed by a registered design professional. All systems, hardware, materials, detailing, methods, and connections need to be reviewed and confirmed by a registered structural engineer.

The City has made available for download drawings from the Dining Out NYC Setup Menu Prototype project that were prepared by a registered design professional. These drawings have been made available for informational purposes only. The drawings are provided as-is, and the City of New York disclaims to the greatest extent permitted by law any and all warranties in connection with them.

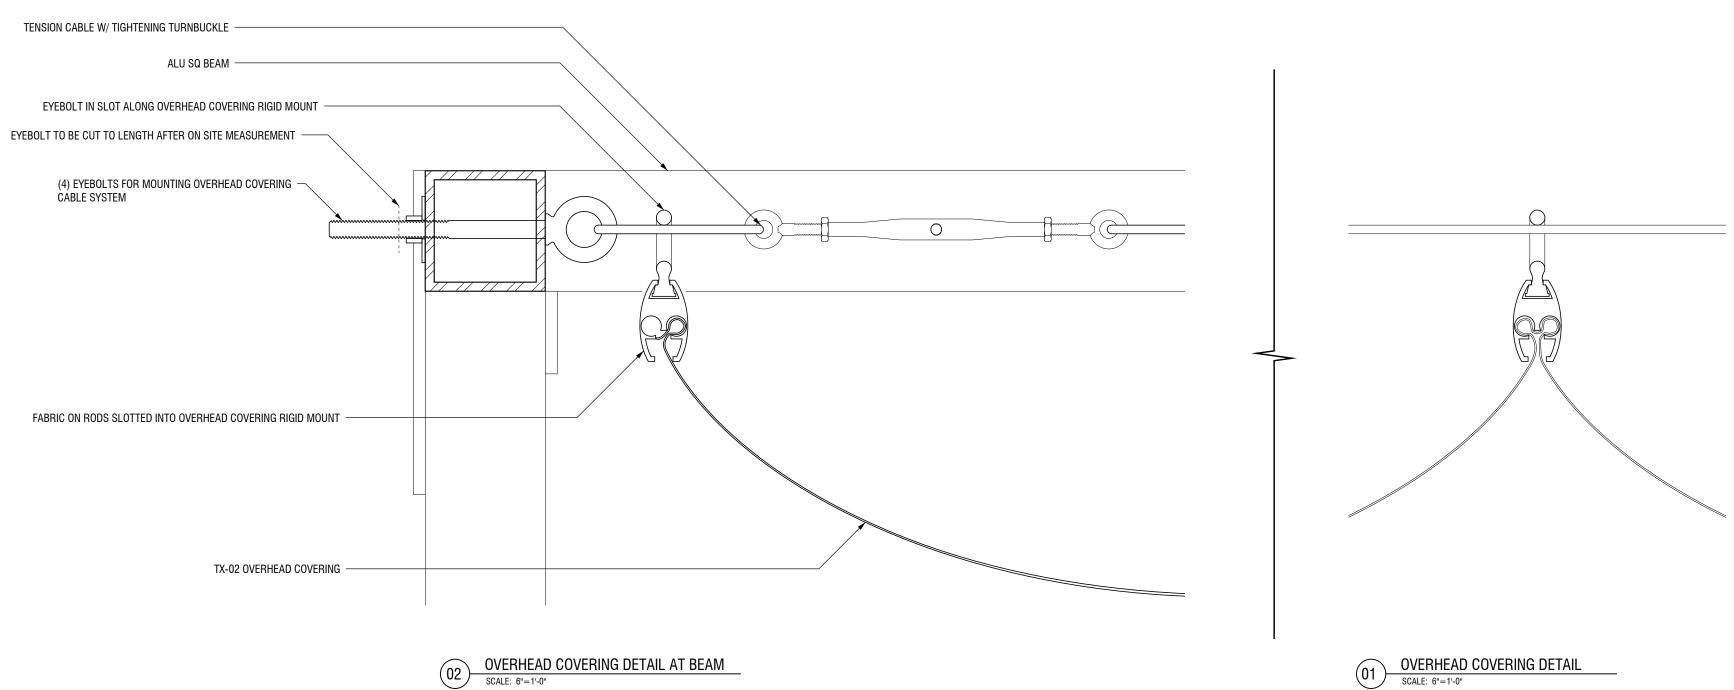

Each drawing was designed and developed for a specific prototype location and may not be appropriate for other locations. Every location has unique features and site conditions, so make sure that every outdoor dining setup component you choose is appropriate for your sidewalk or roadway cafe.

These drawings and all information contained within, both directly and inferred, are for design guidance only and not to be used for construction, fabrication, or installation. SITU Fabrication ("SITU ") and WXY Architecture and Urban Design ("WXY ") accept no liability for any type of use of these drawings. SITU and WXY have no responsibility for any deficiencies, inaccuracies, errors and/or omissions contained in these drawings. Compliance with ADA and NYC Building Code needs to be reviewed and confirmed by a registered design professional. All systems, hardware, materials, detailing, methods, and connections need to be reviewed and confirmed by a registered structural engineer.
