Alternative Barrier Design

Professional Engineer Certification

[For professional engineer to complete]

I, _____ *[insert name]*, am a professional engineer (P.E.) employed or retained by _____ *[name of barrier business]*.

I hereby certify that I have reviewed the *Alternative Barrier Analysis Specifications* (the “Specifications”) posted on the New York City Department of Transportation’s website and have exercised a professional standard of care in determining that the barrier shown in the plans submitted with ID: _____ *[company name]* - _____ *[year]* - _____ *[model number]* complies with the Specifications. I am aware that the New York City Department of Transportation will rely upon the accuracy of this professional engineer certification.

Name of P.E. _____
